

DAVID LATIMORE II

Interested in Frontend Engineering, Human-Computer Interaction (HCI), and User Interface / User Experience Design (UI/UX)

✉ dgl@u.northwestern.edu 🌐 MagicWilliams 🌐 davidlatimore.me

EXPERIENCE

IDEO CoLab

Summer Fellow

📅 Summer 2019 📍 Cambridge, MA

Completing a fellowship program at the IDEO CoLab, making collaborative and social impact through design research.

Lyft

Software Engineering Intern, Internal Productivity

📅 Summer 2018 📍 San Francisco, CA

Worked on the Internal Productivity team, building web applications in Typescript, React.js, and MobX.

Twitter

Software Engineering Intern, Twitter.com

📅 Summer 2017 📍 San Francisco, CA

Created “Nightmode” for Twitter’s desktop client, an alternate, more accessible UI theme for twitter.com. Now active for 65M+ monthly users.
